FPR : IRAMUTSE ITSINZE, RUBANDA NYAMWINSHI YABA IYA NDE?

Abaromani nibo bavuze ngo "Divide uti imperes". Aribyo bisobanura mu gifaransa ngo "Diviser pour régner". Tugenekereje mu Kinyarwanda twavugaga ko iyo ushaka gutegeka abantu urabatanya. Bamara gushwana ukabona ukabagira ingaruzwamuheto. Uwaciye umugani mu Kinyarwanda ngo iyo abavandimwe bavumbitse akarengye uvanamo akawe, agomba kuba yaribeshye. Iyo bakavumbitse urabegera ikabatanya, batangira kuryana ukabakoresha icyo ushaka. Mu ntambara y'inyeshyamba, hari ihame ba nyiri ukuyirwana bahora bazirikana iyo bashakira kugera ku butegetsi ku ngufu. Iryo hame ni ukwangisha abaturage ubutegetsi. Intambara y'inyeshyamba igomba kumara igihe kirekire ku buryo abaturage basanzwe kuko akazi kose kaba karahagaze. Ubwo kandi niko ibikorwa by'iterabwoba bikomeza hirya no hino, mu gihugu.

Inyenzu zishoza intambara tariki ya 1/10/1990 zivugiyeye ko ishobora kumara imyaka 15 cyangwa se 30 bibaye ngombwa. Bamwe babyise ibikino nyamara zo zari zikomeje. Museveni n'inyeshyamba ze bajya gufata Kampara mu w'1986, uburyo yakoresheje busa neza neza n'ubwo inkotanyi zirimo gukoresha muri iki gihe. Museveni yarabanje azana iterabwoba mu baturage, afunga imihanda yagemuriraga Uganda. Abaturage barasonza, baricwa kugeza aho bumva ko ubutegetsi buriho ntacyo bubamariye. Basigara ahubwo bifuzaga ko yatsinda ariko bakagira amahoro.

Ibyakurikiyeho murabizi. Kampala umurwa mukuru wa Uganda yamaze amezi n'amezi nta muntu winjira, nta n'usohoka. Rwigema na bagenzi be bawufata nta nkomyi. Ubwo kandi niko "imishyikirano" yakomezaga i Nairobi. icyo abanyarwanda cyane cyane rubanda nyamwinshi ikwiye kuzirikana, ni uko inyeshyamba zafashe Kampala arizo zavuyemo inyenzu ziyise inkotanyi zikagaba igitero tariki ya 1/10/1990. Uburyo izo nyeshyamba zakoresheje zifata Uganda nibwo inyenzu zirimo gukoresha: Uwibwira ko intambara yarangiye ni wa wundi ufite amaso ntabone, ni wa wundi ufite amatwi ntiyumve!

Yego ku rugamba iyo za Byumba, Ruhengeri n'ahandi amasasu asa n'ayahagaze, ariko ni agahenge gusa.

Intambara isigaye ni iya politiki. Kandi niyo iruhije. Baca umugani mu Kinyarwanda ngo amavuta y'umugabo ni amuraye ku murundi. Abafaransa bo bavugaga ko "il ne faut pas vendre la peau de l'ours avant de l'avoir obtenue". Tugenekereje mu Kinyarwanda, twavugaga ko ntawugurisha uruhu rw'ikirura mbere yo kurubona. Kandi ni byo. MDR ni yajyaga yihandagaza ngo "twaratsinze kandi tuzatsinda". Iyo ni imvugo yari ihatse uburangare buhanitse. Akenshi nyirayo akanguka ibitekerezo byasheshe. None ubu MDR yakongera kuvugaga ngo yaratsinze kandi izatsinda! Rubanda nyamwinshi ikwiye kuba maso, atari ku munwa, bikaba mu bikorwa. Naho ubundi nayo yakanguka byarangiye agakorwa kakozwe.

Abahutu bo mu Rwanda amashyamba baba barimo ayo ari yo yose, bakwiye kuva mu butesi. Bakareba kure y'amazuru yabo. Kuba ari benshi ntibihagije. Bakwiye gufatanyaga, bagakoma imbere imigambi y'umwanzi. Bitabaye ibyo, bamera nka bwa buro bwinshi butagira umusururu. Abahutu bo mu Rwanda iyo bamaze guhaga sinzi niba bazirikana intwari zagejeje rubanda kuri revolisiyo yo mu w'1959. Abahutu bo mu Rwanda iyo bamaze kurengwa aho bibuka ko umunsi FPR n'abatutsi muri rusane, bafashe ubutegetsi bazaburekura?

Batereye amaso i Burundi bakibaza. Muri icyo gihugu naho hari abahutu kandi nabo ni benshi. Ariko bakomeje kugandagurwa n'agatsiko ka nyakamwe k'inkorambaraso z'abatutsi,

amahanga arebera. Tuvuye se ko abahutu b'i Burundi nta ntware bagira? Zirahari! Ariko se zikore iki mu gihugu umututsi ariwe ugifite intwari? Hari intwaramuheto yigeze kuvugaga yishongora ku bahutu itari "muzogitwara ari uko iminwa y'inkoko (ndlr: imbuta) yazibye". Indi ntwaremuho yungamo itari: "On peut tout partager avec les hutu sauf l'armée". Ngo abatutsi bashobora gusangira byose n'abahutu uretse igisoda.

Abazi amateka y'isi bibuka umugabo Hannibal, wari umugabo w'ingabo ukomeye. Yakomokaga mu muji wa Carthage muri Tuniziya, igihugu cyo muri Afurika y'amajyaruguru. Uwo mugabo yateye abaromani nabo batari boroshye muri icyo gihe, arabatsinda. Aho gufata Roma, umurwa mukuru, sinzi ibyo yahugiyemo. Ibyo ari byo byose yarazindaye, abaromani barisuganyaga, baramushushubikanyaga, baramutsinda. Bagiyeye kumwishongoraho baramubwira bati: "Tu sais vaincre, Hannibal, mais tu ne sais pas profiter de ta victoire". Ngo Hannibal uzi gutsinda ariko urarangara. Yabyumvishije ashaje kuko abaromani bigabije Carthage bayigira umuyonga. Ari naho havuye imvugo ngo "Carthago delenda est (Carthage doit être détruite)". Ngo Carthage igomba gusenya. Kandi byarabaye. Inkotanyi nazo ziti "Songa mbere mpaka nyamijos" Kandi zarahageze zihagarikiwe n'amahanga (Minuar). Abahutu bo mu Rwanda rero niba barakozwe revolisiyo mu w'1959 bakisubiza igihugu abatutsi bari barabibye, nibarangara iyo revolisiyo izabaza mu myanya y'intoki. Kandi ngo igihe cyahise ntikigaruka. Mbe aka wa muhanzi ngo mbwira abumva!

Muri ibyo bigirwamana, twavugaga igikomangoma Kavaruganda wasanze umwanya afite udahagije, none akaba ashaka kuba Umukuru w'Igihugu. Imigambi uwo mugabo arimo, amenye ko yatahuwe kera. We na Twagira-mungu, icyana Agatha n'inkotanyi baracura imigambi yo gukora kudeta bifashishije amategeko yanditse (coup d'Etat constitutionnel). Rukokoma wigize Minisitiri w'Intebe (MDR itabizi), arashaka kumvikana na Kavaruganda ushinze urukiko rurinda iremezo ry'itegeko nshinga n'inkotanyi bakemeza ko Perezida wa Repubulika atagishoboye gutegeka. Bityo Rukokoma na Kavaruganda bakabona uburyo bwo gushyira mu bikorwa umugambi wabo wo kugabira igihugu inkotanyi. Nk'uko Imana ire-

bera u Rwanda idahumbya, uwo mugambi bawugerageje tariki 5/1/1994, umunsi hagombaga kuba umuhango wo gushyiraho inzego z'inziacyuho, uburiramo. Ariko ntibari bava ku izima.

Cyakora iminsi y'abo bagabo irabaze. Rukokoma ntiyatanze n'ishyamba MDR, yishyizeho. Perezida Habyarimana ashatse yakwaka MDR undi mukandida. Kavaruganda nawe ararye ari munge. Nyakubahwa Perezida wa Repubulika,

Tubandikiye uru rwandiko tugira ngo tubagezeho ibitekerezo byacu ku bihe biri imbere. Aha turavugaga igihe muzaba muri mu rugendo. Mu nama yahuye abanyamakuru ba Kangura, ku murongo w'ibyigwa harimo aho politiki

y'u Rwanda igeze. Twibanze cyane ku byerekeye wa mugambi wari wateguwe wo gukora coup d'Etat constitutionnel. Nkuko namwe mubizi, umugambi waje kuburiramo kubera ubuhanga n'ubwitonzi mwagaragaje muri uno mukino wa politiki. Uko intambara y'amagambo n'amatangazo yagenze murabizi. Ibitutsi biranga abantu bategereze uburere byavuye mu kanwa ka Kavaruganda ntibyaribishyigiyeye ku busa. Usibye ko vuba aha azabiryoze n'inzego zibishinze.

Hari abantu benshi tudashobora kwihanganira. Abantu batuka ku mugaragaro umukuru w'igihugu ushyigikiye na benshi. Ku byerekeye inama twakoze twasanze ibintu biteye bitya:

1. Agatsiko ka FPR, Twagira-mungu, Agatha na Kavaruganda kataguye umugambi wo kuzakora irahira ubwo muzaba muri mu mihango y'ishyingurwa ry'umukambwe Félix Houphouët Boigny wa Côte d'Ivoire. Icyo gihe, muzamara gufata indege mwerekeza iyo, Radiyo Rwanda itangirye gusakuza ngo murahunze. Maze abaturage tubashyigikiye dute umutwe. - Abanyarwanda bose

AGATHA : "ICYANA URARIZWA N'IKI....?"

Bagenzi bacu bo kuri RTLM nibo bakunze kuvuga ngo guverinoma ya Madamu Uwilingiyimana Agatha iheze mu «cyuho».

Iyo guverinoma, iya gushyirwaho yagombaga kumara amezi abiri n'icyumweru. Ni ukuvuga iminsi mirongo itatu n'irindwi. Uburyo iyo guverinoma yagiyeho ni nako irangije igihe cyayo. Yatangiye mu «cyuho» none igiheze.

Baca umugani mu Kinyarwanda ngo urucira mu kaso rugatwara nyoko. Guverinoma ya Nsengiyaremye imaze gucyura igihe, habaye amahane ashingiyeye ku nyungu z'abantu bashakaga gukomeza kwirira. Nsengiyaremye wari umaze umwaka urenga yerekana ko ntacyo yishoboreye, iyo aba umugabo aba yaremeye akegura, akagenda atanduranyije. Nyamara ntiyabikozwe. Yashakaga kwiyongerera manda ku ngufu. Aka wa mugani ngo harya uwariye.

Ibyago yaje kugira ni uko amashyaka yari muri Guverinoma ayo-bora yahakanye ko atakomeza gukorana n'umuntu udashoboye, utagira inama. Basaba ishyamba MDR ryagenewe umwanya wa minisitiri w'intebe n'amasezerano y'Arusha gutanga undi mukandida. Aha rero niho havutse ibibazo na nubwira biki-munga igihugu.

Nsengiyaremye ati : «ni jye jyewe jyeneyine». Amashyaka ari muri guverinoma nayo ati : «ayo ni amagambo, si wowe kamara». Nse-

ngiyaremye ati «bitabaye uko mbi-shaka MDR ntijya muri guverinoma».

Twagiramungu aba yabibonye ati : «ararararaaaa... ntibishoboka, si wowe shyaka. Abanyagitarama ntibaremewe gutegeka. N'abanyacyangu gu bibagereho». Yitwaje umwanya yari afite wo kuba Perezida wa MDR, Twagiramungu akina ibyo yise «politiki yo hejuru». Yabonaga ko inzibacyuho y'amezi 2 n'icyu-mweru ari igihe gito cyane, abwira «icyana» cye kwisuma. We yizigamira manda y'imyaka ibiri ishobora kugera no ku myaka itanu cyangwa irenga. Nyuma y'iyi ntambara yose, icyihishe inyuma kirazwi. Buri wese ni ugukurura y'ishyamba, yegeze abe, akarere ke, inyungu z'igihugu zikaza nyuma.

Ibyabaye kuri Nsengiyaremye ni byo byabaye kuri Agatha, bahimbye «icyana cya Twagiramungu». Nk'ya Nsengiyaremye, manda y'Agatha yanzwe no kutagira icyo ikora mu nshingano yari yihaye. Amezi abiri arenga, Agatha yanzwe no gutuka umukuru w'igihugu 'ku musuzugura... nkaho Perezidansi ya Repubulika ari urwego rwa Minisitiri y'intebe. Bityo Perezida wa Repubulika nawe akaba umukozi wa Minisitiri w'intebe. Uretse n'ibyo, n'ubusanze mu Kinyarwanda, umubyeyi (umutegarugori) washize isoni aba ari inshinzi cyangwa se inkunguzi. Mugenzi wacu Hangimana François Xavier wo mu kinyamakuru «Ijambo» niwe wigeze kwandika ati : «Agatha, urukozasoni mu babyeyi»

Barasakuza ngo Hangimana noneho yasaze. Umusazi arasara akagwa ku ijamba. Guverinoma y'Agatha yagombye kuba yaravuyeho tariki ya 5/01/1994 ikomeje kuzambya igihu gu. Nta kazi kagikorwa, abakozi birirwa «bashyushya» intebe mu biro, abategetsu birirwa banyereza umutungo w'igihugu nta nkomyi ngo ni inzibacyuho. Bikomeje gutya, aka kaduruvayo kasiga igihugu mu rwoho kitazivanamo.

Niba inzego z'ubutegetsi bw'inzibacyuho yaguye zitagiyehe vuba, bizaba ngombwa ko inzego z'imirimo ya Leta zihagarara kubera kubura amafaranga.

Ubu rero nibigera ku itariki ya 1/4/

1994 nta byemezo bifashwe ngo u Rwanda rube rwarangije kugirana amasezerano na Banki y'isi n'iki-gega mpuzamahanga cy'imari, ubwo ni ugutegereza ukwezi k'Ukwakira 1994, kugira ngo imishyikirano isubukurwe.

Ingengo y'imari y'umwaka 1994 izagira igihombo kingana na miliyari 52 z'amafaranga y'u Rwanda. Ku wa 15/1/1994 hari hateganiywe ko impuguke za Banki y'isi n'izi ikigega mpuzamahanga cy'imari ziza kurebera hamwe na Guverinoma y'u Rwanda uko bashakira ayo mafaranga. Izo mpuguke ntabwo zaje, kuwa 15/2/1994 hari hateganiywe ko

hazaba inama yahuza abari kuzaba baremeye gutanga imfashanyo, noneho buri wese akavugaga ayo atanze uko angana. Iyo nama ntabwo izashobora kuba, kuko imirimo iyibanziriza izaba itarabaye. Niba rero Guverinoma itagiyehe vuba bizabazwe ba gitimujisho.

Ako kaga ntutazakavanwamo n'ibitutsi n'amatangazo yuzuye ubushizi bw'isoni bwa Agatha. Abakora ibi byose bamenye ko atari Habyarimana bahima, barahima abanyarwanda, barumuna na bakuru babo, ababyeyi babo, n'urubyaro rwabo. Inyenzi zigaramiye...

KANGURA.

ABATEGUYE BAKANASINYA AMASEZERANO YA ARUSHA NIBO BAYICA.

Abapadiri nibo bakunze kuvugaga ngo "l'habit ne fait pas le moine". Ariko kuvugaga ko hari abiterera uruhu rw'intama kandi ari ibirura! Politiki y'amashyamba menshi imaze kwemerwa mu Rwanda, abanyapolitiki bazanyemuramuhira. Bizeza abanyarwanda ibitangaza, babemerera n'ibidashoboka. Barihandagaye ngo bafite umuti w'intambara. Natwe tuti "utugereho". Umuti bavugaga ngo kwari ugushakira inkotanyi mu Mutara, i Byumba mu Ruhengeri, mu Birunga n'ahandi iyo za Buruseri, aho ziri hose "bakazumvisha" ko zigomba gushyirwa mu gaciro zigashyirwa intwari hasi zikemera imishyikirano. Abari babishishikayemo ni TWAGIRAMUNGU bise RUKOKOMA wa MDR, abayobozi ba PSD, na MUGENZI Yusitini wa PL ataribohora.

Barikoze bagiye i Buruseli ngo kudushakira amahoro, icyagaragaye ni uko icyo mibonano ntacyo yahinduye ku ntambara. Imirwano yarakomeje ku rugamba, inzirikarengane zikomeza kwicwa urubozo. Inkotanyi zikomeza iterabwoba ryazo hirya no hino mu gihugu nta nkomyi. Kandi ni mu gihe. Izo "ntumwa za rubanda" i Buruseli, icyari cyazizinduye si ugushakira abanyarwanda amahoro. Zari zigiyeye kwishakira icyazibeshaho. Ibyakurikiyeho murabizi. Abari bagiye gushakira abanyarwanda amahoro nibobabagambaniye. Nibo batanze Byumba na Ruhengeri ngo zifatwe. Kandi koko zarafashwe. Nabo amakotanyi yabo bayakubita umufuka bagaruka i Kigali "bemye".

Bakozwe n'isoni batangira gukwiya impuha ngo HABYARIMANA na MRND ye ndetse na CDR nibo banzi b'amahoro. Ukaba wagira ngo MRND na CDR nizo zigabije Byumba na Ruhengeri. Umunsi NSENGIYAREMYE Dismas arahira, mu byihutirwaga muri gahunda ya Guverinoma ye kwari uguhagarika intambara. Bityo ngo akaba atsinze HABYARIMANA na MRND ye igitego. HABYARIMANA nawe ntacyo wamubeshya. Mu ijamba yavuze uwo munsu, yabaye nk'ucyurira NSENGIYAREMYE ko uguhiga ubutwari mutabarana. Kandi ko byari byo. Intambara ntiyari guhagarikwa n'ururimi gusa. Ahubwo yavuye ku mupaka ibera imbere mu gihugu. Iterabwoba ryari rimaze gucogora rikaza umurego.

NSENGIYAREMYE yohereza intumwa ye NGURINZIRA Arusha kumvikana n'Inkotanyi. Urebye nta mishyikirano yabaye kuko NGURINZIRA yagiye atoherejwe na Guverinoma y'u Rwanda. Yari intumwa ya shebuja NSENGIYAREMYE. icyo yakozwe ni ukujya kumva icyo inkotanyi zimutegeka, hanyuma akavugaga ko abyemeye. Byaba bibangamiye inyungu za rubanda, bitazibangamiye, ibyo ntiyabamurebaga. Nawe zimurebera amakotanyi, aragaruka n'icyo cyere cyinshi ngo avuye gushyirwa umukono ku masezerano y'amahoro.

HABYARIMANA yarabirebye ati: "amasezerano y'amahoro si ibipapuro gusa". Bamwe bamwumva nabi ngo aradindiza imishyikirano. Ariko ni mu gihe. Aka wa mugani ngo bavugaga ibi-

goramye imihoro ikarakara. Bakomeje gusakuza kugeza n'aho bemeje ko umukuru w'igihugu adashakira gushyirwa umukono kuri ayo masezerano. N'ubwo bwose buri wese, uherye ku bateguye ayo masezerano, yabonaga ko afite, byabaye ngombwa ko HABYARIMANA ajya Arusha gusinyira ibyo nawe ubwe atemera. Ibyo ari byo byose yeretse amahanga ko atari we waba intambanyi y'amahoro mu Rwanda. Bazashakire ahandi!

Bityo twizeraga ko noneho intambara ihagaze kuko inkotanyi zari zibonye ibyo zifuzaga. Abanyamashyamba bacu nabo bagatuzaga kuko bari bamaze kugabana imyanya batankwiriye. Igitangaje rero ni uko abo bagiye kugambana Arusha, bakigababanyaga ubutegetsi uko bashatse aribo ba mbere batubahiriza ibyo basinyiye. Ntibanagira n'isoni. Baragiye bahamagaza amahanga ngo aze abahagarikire bigabanye ubutegetsi bibye abaturage. Amahanga araje. Itariki bari kuriraho icyo "Bangaheza" ni tariki 5/1/1994.

Perezida HABYARIMANA na none ntiyabatenguha. Araza arangiza umuhango we wo kurahira kugira ngo na none yereke amahanga ko atazaba na rimwe imbogamizi y'amahoro. Ategereza ko abadepite baza kurahira araheba. Ategereza ko Rukokoma wiye umwanya ishyamba rya MDR yazana Guverinoma ye ngo irahire amaso ahera mu kirere. Naho ntakamenye ko akishye ya nka kakiyirimo. Abanyapolitiki bacu bongeye kugaragaza ko icyo bimirije imbere ari inda

zabo, badashishikajwe na rubanda. Kandi ariyo bitwa ko baharanira, ari nayo bakesha iyo myanya bafite.

Barwaniye imyanya bibagirwa ko bagomba gukorera igihugu none ba-

gihejeje mu gihirahiro. Nibarize abo banyapolitiki n'inkotanyi. Ko ari mwe mwiguriye ayo masezerano, mukayishyiriraho umukono, habuze iki ngo muyubahirize? Abanyapolitiki bacu basa na ba bajura bamara kwiba

bajya kugabana bagasubiranamo ku-geza aho bafatiwe. Ibyo aribyo byose, ibyo bakwikora byose, bamenye ko amakuba baroshyemo iki gihugu bazayaryozwa!

Maze iminsi numva kuri RTLM bavuga ko abahutu b'i Burundi bariko bacanamwo mu buhungiro. Nje rero ndibaza nti "birakenewe ko bacanamwo bari mu kaga? Mu bisanzwe tuzi ko ingorane n'amarushya abantu basangangira arivyo bivunga bikabazanira ubumwe kurusha vyose. Uretse ko mu Kirundi baca umugani ngo abasangiye ubusa bitana ibisambo" Ubu bariko bacanamwo, bapfa imigambwe, na none bikagirwa n'abiyita ko bize. Bize iki mu gihe batereka abanyagihugu batobato ico babungukiye n'ico babarusha kivuye mu bumenyi bwabo? Ndazi neza ko abanyagihugu bo bakeneye icorengera umutekano wabo. Kugeza ubu abanyagihugu nyarucari nibo nyene berekanye muri izi ngorane u Burundi n'abahutu barimwo, ko bazi kandi bamaze gutahura ico bakora. Bo baragize ubumwe, bararwanya umwansi, bararwanira umutekano wabo n'uw'abategetsi banka no guta igihugu ngo bagihebere abatutsi. Umututsi ariko abica ntaraba imigambwe barimwo araba ubwoko gusa. Ivyo rero bica vyereka abahutu n'amakungu ko abahutu b'i Burundi bakeneye "libération". Bategerezwa rero kumenya no gukomeza kurwanira kwikura mu buja.

Nkubu ndibaza nti "bishoboka gute ko abahutu baba bariko baragandagurwa ariko abarongoye imigambwe irimwo abo banyagupfa ntibashobora guhura na rimwe ngo bavugane ingendo imwe bakwiye gufata kugeneza y'abayobozi babo. Sinumva rero ukuntu amakungu ya cane cane igihugu duhana imbibe vyodufasha turiko turyana, tutigeze tunaja hamwe ngo tugire ico tubasavye. Sinzi rero ko tuzobasaba kudufasha gukomeza amacakubiri canke gukomeza ubumwe.

Uragenda ugahura n'umuhutu ariko yishima ngo yarize ku karimi gusa. None uyo yokorera gute abo asuzugura? Wigira imbere ugahura n'uwundi umutwe washushye, imitsi yadariye ariko yidogera canke ahiga mwene wabo aho guhiga umwansi. KARATASI yitwa ko arongoye Palipehutu, abahutu baja mu kaga we aki-

gumira i Bulaya muri Danemark. Mbe Afrika canke ibihugu bituranye n'u Burundi ari navyo yari akwiye gukomezwamo ubucuti n'ugufashyanya akansura n'abahutu bahahungiyeye bari mu kaga, arabizira canke biramunukira. Ni umukuru ka buke atazi abiwe, atabona n'ingorane barimwo? Dushaka indongozi ibashije nka Gahutu Rémy yemeye akava i Bulaya akaza kubana n'abo yipfuye gukura mu buja gushika ahasize ubuzima.

Umuvyeyi nyakuri arondera ikimuhuza kinakomeza ubumwe n'urukundo n'abana biwe. Ntitwumva rero igituma atarasigura icatumye haza amacakubire mu mugambwe Gahutu Rémy yamuraze urimwo ubumwe. Mu gihe abandi bama bihatira kurondera ikibahuza ngo biyunge, abahutu bo bakomeza ikibatanya. KARATASI na KABURA Kossan ni kuki batarondera urwego bahuriramwo n'ababahuza kugira ngo bashobore gukora ku neza y'igihugu? Baca umugani ngo mu bumwe umuhoro urumwa. NTANYU-NGU Festus niwe yashize umugambwe RPB yize ivy'igisoda co kimwe na Lieutenant Vénérand. None bazobwira iki abahutu b'i Burundi mu gihe batashoboye kugira umutwe w'ingabo wo gukura abahutu mu buja?

Ku bwanje abarongoye Palipehutu, Frodebu n'umigambwe P.P., RPB na PL yayifashije mw'ihiganwa na Uprona na MPD bari bakwiye guhura bagatora inzira imwe bereka abahutu, bakareka kubajuragiza, bagakorera ineza yabo, bakabakura mu kaga barimwo. Ivyo kuvuga ngo inziraguhemuka za Frodebu ntizirakwigwa bikwiye kuhava. Ivyo kwibaza ngo Palipehutu yemewe Frodebu ntiyasubira kuvugwa bakwiye kubyikuramwo. Urugamba rwa Palipehutu nibaza ko ari urwo kurwanira abahutu atari urwo kubakandamiza. Mbe ntibiteye isoni kubona Frodebu ishigikira ubutegetsu kw'izina ry'abahutu igaca yihakana benewabo ibaziza izina hutu? Mu gihe bavuga ngo inziraguhemuka ntizirakwigwa bigiza hirya abari mu yindi migambwe y'abahutu, abaprorona bo baronka akazi. None impinduke yavyo turayibonye!

Abarongoye iyo migambwe bose bakwiye guhura bakavugana bakagira ico basavye amakungu n'ibihugu duhanye imbibe na cane cane ibirimwo "race bantoue" kugira bidufashe. Bakareka gukora nk'ubusimbira hamwe. Niba abatutsi barwanira kuganza no kwigarurira aka karere ni kuki abahutu tutobigira ngo natwe tukagiremo umwidegemvyo. Uretse ko abahutu nk'uko baduciyeke umugani twama tubogora twashashe tutazi kwibanga umwansi.

Inzira izoshikana u Burundi n'abahutu mu mahoro ni imwe gusa. Ni irya GAHUTU Rémy yagiye aduciriye akaturaga. Ni naco gituma igihe cose tuzoba tukirengagiza canke tuyisuzugura ataco tuzoshikaho kandi bizokwama bitugirira inkurikizi mbi. Iyo nzira ni iyi. Gukunda igihugu n'ugukorerane ineza ya bene co atazindi nyungu. We yavugaga ati "Ninagira inama ngashika i Burundi si ngombwa ko ari nje ntegerezwa gutegeka. Hazoba amatora. Banyizigiye ntware, banyizigiye ngume aho ariko nezerwe n'uko umuhutu azoba yavuye mu buja". Yarasubije ati kugira abahutu batsinze bikureko umwansi bategerezwa kugira ibintu 5:

- conscience : bimenye kuko intimenya, bamenye kandi bemere ko bashoboye gutwara no kurwanira igihugu cabo na bene wabo, bikuremwo "complexe d'infériorité" bashizwemo n'umututsi.

- ubumwe : bareke gusuzugurana no gupfa intara, amashure, ubutunzi n'ibindi bitajya ntibize nk'imigambwe canke ibindi.

- umuhuza : yavuze ati: "umuhuza wacu ni Palipehutu niyo iturongoye mu vyiyumviro vyo kwikura mu buja. Uwutazoyijamwo amenye ko azoba abigize nkana ariko ntazovuge ngo ntayizi.

None Palipehutu ni iki? Si iryo zina, si ikirere, si Karatasi, si Kabura Kossan canke ikindi cose. Ni ishaka ry'umuhutu wese ata numwe uvuyemwo ryo kwikura mu buja by'umututsi. Umuhutu wese amaze kubona no kwemera ko ari mu buja, "initiative" yose azofata mu mvugo, mu ngiro no mu ngendo "dans le sens" y'ukwikura mu buja, niyamenya

kwiubaha no kubahiriza umuhutu mwene wabo.

- **indongozi** : atari izarizo zose. Ni izemera kwigura igihugu na bene wabo kandi zidakorera amaronko.

- **umuheto** : Martin Luther King yigisha "la non violence yavuze ati: "Nous avons malheureusement appris que la liberté n'est jamais accordées de bon gré par l'opprimeur, elle doit être exigée par l'opprimé".

GAHUTU bamubajije ko yashobora kwumvikana n'abatutsi yishuye ati

"hatambana abangana kandi amaboko ataresha ntaramukanya. Ati rero umututsi aguma yicura ko muzomusubiriza mu ndumane mukamwihora ku bibi yabakoreye.

Mu ncamake rero Palipehutu ndayigereranya na **"mouvement sioniste"**. Aho abayahudi bahakana gusesa amaraso barwanira igihugu kitari icabo, bakagira ishaka ryo gushika i Sioni baciye bagira "politique" bise "sionisme" ariyo twe twita **"libération du peuple hutu"**. Umuyahudi wese yaba uwuri muri

"diaspora" baba abari muri "likoud" canke muri **"Parti travailliste"** ni aba **"agents"** ba **"sionisme"** kuko bagendera "idéologie" yayo. Umuhutu wese rero ategerezwa kugendera "idéologie" ya **Palipehutu**. Gahutu yavuze ati: "iyi tubigira kare vyari kworoha ariko ubu bizi gusesa amaraso menshi. Abarundi nabo barayamaze bati "akagumye bagumako kandi ibigora bigora abagabo".

Ese tuvuge ko biganaga ba bana bo muri Palestina bo muri Intifada? "Victoire des pierres?". Agapfa kaburiwe ni impongo. hatarapfa umuzungu muri iki gihugu bazagira ngo bene Sebahinzi ntitubona !

NGEZE Hassan.

UKO KANGURA YAGIYE IBONA TWAGIRAMUNGU FAUSTIN KUVA IGITANGIRA KUMWANDIKA.

Imyaka ibaye itatu dutangiye gushyira ahagaragara imigambi mibisha ya TWAGIRAMUNGU. Hasigaye igihe gito ngo amashyaka yemerwe muri Kangura no 16 twatangiye umurimo ukomeye wo gukurikirana imigambi, ibikorwa n'ibitekerezo by'abari batangiye gushyira amashyaka. Hari abantu benshi bagiyeye birengagiza ubushishozi twagiye tugira. Bagiyeye babiterwa n'uko ngo udashyigikiye inkotanyi wese ni igikoresho cya Perezida HABYARIMANA. Abakwirakwije icyo gitekerezo bari bafite ku isonga TWAGIRAMUNGU Faustin. None aho atahuriwe bimaze kugaragara ko muri iki gihugu politiki yo kutabogama ku Nkotanyi cyangwa kuri HABYARIMANA, ishobora gukorwa nta nkomyi.

Muri Mata 1991, KANGURA No 16 ku rupapuro wa 18, yaribajije iti **"Ese koko TWAGIRAMUNGU Faustin wariqishije umutungo wa STIR ku buryo bugaragara niwe wifuza kuba umunyapolitiki mu Rwanda rw'amashyaka menshi ?"** Muri icyo nyandiko birumvikana, twasobanuye ukuntu yacunze STIR ariko mu mutwe wayo haranditse ngo: "Abaturage, ndavugaga abanyarwanda bese, bagomba kugira icyo bamenya kubahwihwisa cyangwa kubihiswira ku mashyaka atangiye kwigaragaza. Mu gihe tugezemo, igihugu gikeneye abantu bakitangira, bakareba inyungu za benshi (rubanda rugufi) aho guharanira izabo bwite. Nicyo gituma abantu bari mu mashyaka aya n'aya, bakaba bayafitemo uruhare runini, ku buryo ndetse bashobora no kwiyamamariza imyanya ikomeye bagomba kumenywa n'abo bashobora kuzayobora. Abo bantu bagomba kumenyekanana mu mibereho yabo ya buri muni, n'uko bakoreye igihugu. Muri ibyo bintu byombi rubanda izahamenyera niba kanaka wiyamamariye kumuyobora afite amateka meza, agaragaza niba buri gihe ahora afite urukundo rw'igihugu n'umuhate wo kuzamura rubanda rugufi. Na none kandi birashoboka ko muri icyo mibereho ya buri muni, no muri uko gukorera igihugu, hagaragara ko nyirabyo atazi gucunga neza ibya rubanda, cyangwa ko atigera agaragaza urukundo agira urwamubyaye.

Ni muri urwo rwego twagiye kureba imikorere ya TWAGIRAMUNGU Faustin wananiwe gucunga neza umutungo wa STIR (Société des

Transports Internationaux du Rwanda). Mu byukuri hanze aha amagambo aracicikana ko uwo Faustin warangije kuba umurwanashyaka wa MDR ashobora kuziyamamariza umwanya ukomeye. Turibaza rero niba yabishobora, kuko abamuzi neza bavugaga ko ari mu bafite akamiya gutubutse, ariko ibintu by'ubuyobozi bikaba byaramwihishe. Si icyo rero ubwo buyobozi burimo amafaranga y'abandi ! Ayasahura atabitayeho. None se ko igihugu kibakirimo byinshi bigomba gucungwa neza kandi akaba ari iby'abandi (rubanda uvanyemo Faustin), amaherezo aho azaba anogeye benshi mu mpande zose z'igihugu ?

Muri icyo nyandiko si ngombwa gusubiramo ingorane za STIR ahubwo dukwiye kwibukaho icyo nyandiko yabayeho mbere y'uko amashyaka yemerwa. Nyir'ubwite yagerageje kwosobanura mu bindi binyamakuru ngo turamubeshyera. Muri icyo gihe twavuze ko adashobora rwose kunogera benshi mu mpande zose z'igihugu. Amatora ya MDR yari asigaye imyaka icya kugera kuri ibiri ngo abe. Mu matora aho kugira ngo bakurikize ibyo Kangura yasesenguye ngo ni bya bikoresho !

TWAGIRAMUNGU abo anogeye ni bo bake cyane. Mu magambo ashobora kubihakana ariko mu mutima we abibona. Ikimenyimenyi ubu ageze ku rwego atabasha gukoresha mitingiri muri iki gihugu. Ubu asigaye yitabaza ibiganiro mbwirwaruhame akibonera abanyamakuru nabo babyitabira kubera umurimo wabo. Amafaranga twamukekeragaho tukimwandikira bwa mbere nayo twagiye tumenya inzira yaturutse nk'uko turi

bubibone mu nyandiko zagiye zikurikira.

Twavuze ko iby'abandi abisahura atabitayeho. Abayoboke ba MDR batagereje ko amasezerano ya Arusha ashirwaho umukono kugira ngo babemere: none se ubu uwo mugabo bita Rukokoma ntiyabasahuye, ntiyabanyaze MDR ?

Muri Kangura no 20 twanditse na none TWAGIRAMUNGU ku buryo burambuye. NTAMWETE J.M.V. wo mu Gatanga-Gikondo yatwandikiye atubwira ko icyo Faustin yafungirwe muri 1930 iminsi igera kuri 7 ari imodoka AUDI ya STIR yari yifunze. Ibyo bikaba bitandukanye n'uko yari yisobanuye muri Rwanda Rushya no 7. Muri icyo kinyamakuru Faustin asobanura ifungwa rye avugaga ko bamuhoye kwima Mukungwa FC igikombe cya Championnat. Icyo kiganiro yagiranye na Rwanda Rushya cyaje gutuma no mu ishyamba rye bamucyaha. Biragaragara rero ko agikomeje ingeso yo gutwara iby'abandi, abyita ibye.

Muri Kangura no 21 nibwo twatangiye gushyira ahagaragara ukuntu TWAGIRAMUNGU akorana n'inkotanyi duherereye ku binyamakuru bimwamamaza ari byo "Rwanda Rushya", "Le Tribun du Peuple". HITIMANA Noheri aragira ati: "muri iki gihe cy'amashyaka menshi hari abaharanira imyanya ikomeye mu butegetsi kugira ngo babone uko barya ibya rubanda. Muri uko gushakisha ubutegetsi ku ngufu, Faustin TWAGIRAMUNGU yavuze ko azemera gutanga utwo yibye twose ariko agategeka. Kubona yemera gukora nk'agacurama ? Iyo ageze mu barwanashyamba ba MDR arabashuka ngo barakorana, ariko yakwibuka ko MDR nta Kalach-

Ntibyangoye kubikora. Saa munani, umudiplomate yaje kutwimura. Nashoboraga noneho guhumeka neza. Numvaga ngiyeye gusara kubera amajoro twari tumaze tudashinzira.

Ubu ngubu mpora numva akaga igihugu cyacu kirimo ku aho umugabo wanjye yiciye, Perezida wa Repubulika nibihumbi byinshi by'abanyagihugu. Yego ibintu biteye impungenge. Ariko se dutegereje icyizere ?

Ndakeka ko bidashoboka. U Burundi buracyafite intwari zishobora kurema agatima abapfakazi n'umufubyi ibihumbi nibihumbi baziza ijoro ryo kuwa 21 Ukwakira. MINUAR - FPR ABISHYIZE HAMWE....

Ababirigi bihaye intego ivuga ngo «L'union fait la force». Ari byo ku vuga ngo ubumwe butera ingufu. Abanyarwanda nabo bati «abishyize hamwe ntakibananira».

Ababirigi bajya kwiha iyo ntego si gusa. Iwabo bafite amoko abiri atu mvikana. Hari abo bita aba «Wallons» bavuga ururimi rw'igifaransa. Hakaba n'aba «Flamands» bavuga igifulama, ururimi ruri mu muryango umwe n'ikidage cyangwa se igiholandi. Ayo moko uko ari abiri ntiyumvikana. Mbese nk'uko abahutu n'abatutsi bameze muri aka karere dutuyemo. Aho mu Bubirigi buri bwoko bufite umwihariko wabwo. Ntibakurikira inyigisho zimwe mu mashuri, buri bwoko bufite intara bwigengaho, muri Guverinoma ni ukugabana bakaringaniza kugirango umuriro utaka... Mbese icyo bahuriyeho ni igihugu gusa. Iriya ntego rero bihaye ngo «L'union fait la force» ni nk'agakingirizo ngo badafatana mu mihogo. Abo bantu batumvikana ubwabo nibo Umuryango w'abibumbye wohereje mu Rwanda kubahiriza amahoro mu rwego rwa Minuar (Mission des Nations-Unies d'assistance au Rwanda).

Inkuru y'uko abasirikari b'ababirigi bazaza mu Rwanda ntiyashimishije na gato rubanda nyamwinshi y'abanyarwanda. Noneho kumva ko ababirigi aribo bashinzwe umutekano mu murwa mukuru ariwo Kigali, byabaye incamugongo. Kandi ni mu gihe! Abanyarwanda aka kanya ntibibagiwe uruhare ababirigi bagize muri iyi ntambara. Twibukiranye gato, nta nzika kuko ari igihe cyo gusana imitima.

Inkotanyi ziri hafi gutera tariki ya 1/10/1990, ingirwa ba «coopérants militaires» (abafasha mu bya gisirikari) b'ababirigi bashutse abasirikari bakuru b'ingabo z'ubu Rwanda gutwika amasasu yari ahari ngo arashaje. Hari n'amakuru yemeza ko n'indodoka za gisirikari icyo gihe izashoboraga kugenda ari mbarwa kuko bari barazishyize umunyu muri za moteri. Ibyakurikiyeho birumvikana.

Inkotanyi zarateye, zisanga ingabo z'ubu Rwanda uretse no gutungurwa, nta bikoreho zari zifite. Nta mbu

nda zihagije, nta masasu nta modoka zo kujyana abasirikari ku rugamba. Hagati aho u Rwanda rwari rwaratumije amasasu mu Bubirigi, yaranarishywe. Guverinoma y'u Bubirigi yumvise ko inkotanyi zateye yanga gutanga amasasu igihe yari akenewe cyane. Ikindi twakwibutsa ni uko ibiro bikuru by'inkotanyi byakorera i Buruseri umurwa mu kuru w'u Bubirigi. Abasirikari icyo gihugu cyohereje mu Rwanda icyo gihe iyo urebye usanga bari abanyirarushwa dore ko bamaze ukwezi kumwe gusa bagahambira utwabo. Wagirango bakekaga ko inkotanyi zizabasanga i Kigali. Nizere ko babonye ko Imana irebera u Rwanda idahumbya.

Ubucuti bw'ababirigi n'abatutsi ni bwa kera. Abenshi muri bo barongoye abatutsikazi ku buryo kubogama kwabo ntawe gukwije gutangaza. Ikibazo cy'ababirigi i Kigali bakibajije umukuru w'abasirikari ba Minuar, General R. Dallaire, aya

ikintu cyabakuye umutima birirwa bahiga ijoro n'umunsi. Birirwa babarizwa aho interahamwe ziri nkaho arizo bagome muri iki gihugu. Ariko nta kaburimvano. Kuba ababirigi bahiga interahamwe bazishumuriywe n'inkotanyi dore ko zizitinye cyane. Ntibakamenye ko mu Rwanda buri shyamba rifite urubyiruko rwaryo. MRND ifite interahamwe, MDR ikagira inkuba, PSD ikagira abakomobozi... Sinzi rero impamvu ababirigi babona interahamwe mo abantu badasanzwe kurusha inkuba.

Ababirigi batangiye no kwanduranya ku baturage. Uretse kwirirwa bahiga «ibyana» rimwe na rimwe bakabifata ku ngufu basigaye bacyungu amazuru. Umugabo dutanga ni inkuru iherutse guhitira kuri RTLM ivuga ukuntu ababirigi bo muri Minuar baherutse kugotera umuntu ku Ntaraga (Ku Kimisagara) bamubaza niba ari umuhutu cyangwa umututsi. Uwo mugabo

indimi. Yasubije ko abo basirikari n'ubwo bwose baturuka mu Bubirigi batagengwa na Guverinoma y'u Bubirigi. Ngo bagengwa n'umuryango w'abibumbye.

Ibyo ntawubyanze. Ibyo ari byo byose kuba bambaye ingofero z'ubu muryango w'abibumbye ntibibabuzakuba ababirigi. Kuba bari muri Minuar ntibibavanamo ibitekerezo by'ababirigi no kubogamira kuri ba sebwewe b'abatutsi.

Mu gihe gito ababirigi bamaze i Kigali bamaze kwigaragaza. Bafite

yabaretse ko aparenze absubiza ko ari umwirabura gusa! Ni akumiro! Minuar yaje gucunga amazuru cyangwa gufasha abanyarwanda gushyirira mu bikorwa amasezerano y'Arusha? Ni aho kwibaza.

Hari inyandiko iherutse gusohoka muri Kangura igiri itari: «General R. Dallaire n'ingabo ze nibakomeza kubogama bazabage bifashe». None iryo twavuze rirashyize. Umukuru w'abasirikari ba Minuar yarangije kwigaragaza igihe yemerera inkotanyi gutembera mu mujyi n'imbu

nda. Mu gihe iyo Minuar ibonye ingabo y'u Rwanda itemberana imbunda bihutira kuyimwambura. R. Dallaire ngo inkotanyi ntizajye kuba imfungwa muri CND! Namu-

bwira iki ! Nyamara yiyibagiza ko amasezerano y'Arusha ateganyaga inkotanyi ziri muri CND zizajya zisohoka zifite ubutumwa buzwi na Minuar. None ngo si imfungwa.

Sibwo zitangiye kugandagura inzira karengane !

Tuzakomeza turebere kugeza ryari ? Abo zishe mu Ruhengeri n'i Byumba nti bahagiye ?

Kangura.

NI NDE UZAKIRA INTAMBARA YO MU KWA GATATU

Abibwiraga ko intambara irangiye ngo kubera amasezerano y'Arusha basubize amerwe mu isaho. Intambara igeze mu ikoni rikomeye. Kandi ifite none ho isura ebyiri. Hari iy'amasasu yari imaze igihe itanze agahenge, hakaba n'iya politiki itari hafi kurangira. Kandi intambara ya politiki niyo ibyara iy'amasasu. Muri Kangura ihutse (no 54) twaburiye abanyarwanda cyane cyane rubanda nyamwinshi igisinziriyeye ko intambara ishobora kurota muri Kigali mu minsi ya vuba. Abatareba kure babifashe nk'inkuru y'igihuha. Nyamara ibime-nyetso birahari kandi biragaragara.

Ishyamba MRND rihutse kunyuzwa itangazo kuri RTLM ryemeza ko rifite ibimenyetso simusiga ko ziriya nkotanyi 600 ziri muri CND atari zo zonyine ziri muri Kigali. Ngo hari izindi Nkotanyi zigera ku bihumbi 3 zihishe muri Kigali. Ngo zaba zirekereje ko izo muri CND zakoma imbarutso, ukambikana. Ukongeraho n'urubyiruko rwa PSD, abakombozi, n'abandi batutsi bakomeje kwitwara ku Muli-ndi.

Icyemeza ko intambara iri hafi kurota muri Kigali ni uko inkotanyi zatangiyeye gushotorana. Zatangiyeye kugabanyutse shuma mu masegiteri yegeye aho zicumbitse muri CND. Mu bitero bibiri inkotanyi zimaze kugabanyutse karere ka Remera bimaze guhitabwira abantu barenga babiri n'inkomere nyinshi. Inkotanyi ziragenda zikagandagura inzira karengane, zarangiza zishyirira mu ndiri yazo nshya zagabanyutse n'amasezerano "y'amahoro" y'Arusha. Igiteye inkeke ni uko ubwo gushotoranyi n'ubwo bwicanyi bikorwa n'abasirikari mpuzamahanga bari mu mutwe wa MINUAR barebera. Kandi umva ko inzu ya CND inkotanyi zimbitsemo ikikijwe n'abasirikari ba MINUAR. Inkotanyi ziva muri CND zizajya kugandagura abantu, MINUAR zizajya ? Aiko ntawe byari bikwiye gukomeza. Abasirikari ba MINUAR igihe bamaze i Kigali berekanye ko bagamye cyane.

Ibija gupfa bipfa kare. Umunsi mukuru w'abo basirikari, Generali Romeo Dallaire yemera ko Inkotanyi zitemberana imbunda, niwe wazigabije abaturage. Ejobundi, uwo musaza aherutse kweturira abanyarwanda uwo ariwe n'ikimugenza. Nyuma y'aho inkotanyi zigabiyeye ibitero bibiri i Remera zikivugana inzira karengane,

Romeo Dallaire we yipfutse mu maso yemeza ko nta Nkotanyi yigeze irasa, nta muntu wapfuye, nta n'inkomere yabonye ! Nyamara bya bitero inkotanyi zo kuri CND zabigabaye abaturage bareba, abapfuye ni abantu babo, barabazir, n'inkomere aho ziri mu bitaro zirazwi.

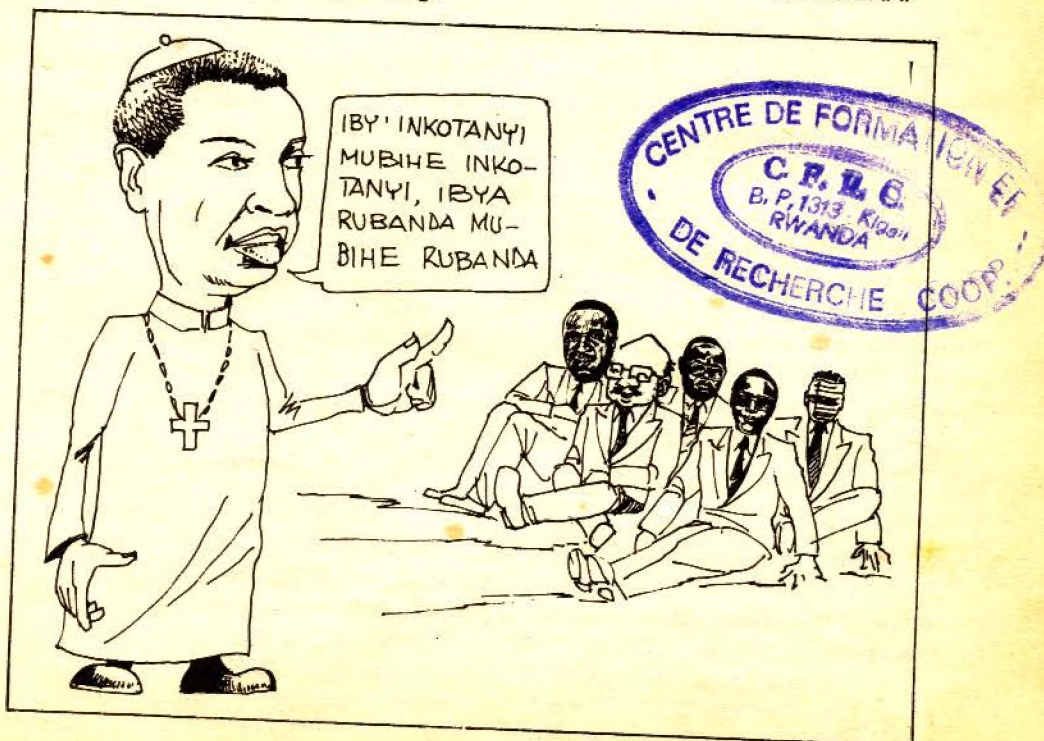

Aha rero niho ibintu bikomereye. Mu masezerano y'Arusha, batubwirako abo basirikari ba MINUAR baje kubungabunga umutekano w'abanyarwanda bakabafasha gushyira mu bikorwa amasezerano bise ay'amahoro, yashyirirwe umukono Arusha, tariki ya 4/8/1993. None abo basirikari bakomeje kwitwara nk'aboherejwe gufasha inkotanyi gufata ubutegetsi ku ngufu. Ibintu rero bikwiye gusobanuka. Niba inkotanyi zariyemeje kutugab-

ndagura ni ukugandagurana. Maze ikibyimbye kimenekere. Ibihe turimo ni ukubwitondera kuko birakomeye. Kuvuga ko mu Rwanda hari ingabo mpuzamahanga ntibabyuza inkotanyi gushoza imirwano.

Mu w'1981 igihe Goukouni Wedeye yategekaga Tchad, umuryango w'ubumwe bw'Afurika wohereje ingabo kurinda amahoro. Nyamara se Hissein Habre warwanyaga ubutegetsi buriho ntibabuhirirwe akoresheje ingufu izo ngabo zirebera !

No mu Rwanda rero birashoboka. Inkotanyi nizimara kugota umurwa mukuru, zizahamagara izo ku Mulindi n'ibitso byazo biri imbere mu gihugu, akaba kabe. Na none bizaba ngombwa ko rubanda nyamwinshi n'ingabo zayo birwanaho. Kuko burya aho kuba imbwa woba imva. Icyo gihe hazamenekama amaraso. Icyo gihe hazamenekama amaraso menshi. Romeo Dallaire na MINUAR ye, ibyo bakora byose n'ibyo bajye babizirikana.

Ibyakurikiyeho murabizi, umusaza Musafiri yasimbujwe Nyakwigendera Muganza Fransisko. Iyi nkuru si impimbano yabayeho.

Perezida Habyarimana nawe aho ibihe bigeze ashobora kwisinyira ko yeguye atabizi. Kandi twari tumuziho ubushishozi. Hari ibyemezo byinshi bisigaye bifatwa ntabimenyeshwe cyangwa se bigafatwa mu kigwi cye. Muti kagire inkuru! Hambere aha Guverineri wa Banki Nasiyonari Ntirugirimbabazi aherutse kujya muri konji. Umukombozi Rugenera Mariko uyo-bora Minisitiri y'Imari yandikira mu ibanga umwungiriza wa Guverineri

ngo ahite amusimbura ako kanya. Nyamara itegeko rivuga ko Perezida wa Repubulika ariwe ushyiraho Guverineri wa Banki Nasiyonari n'abayo-bozi bakuru bamufasha mu kazi, abinyujije mu Nama y'Abaminisitiri. None Rugenera Mariko yambuye ubwo bu-renganzira Umukuru w'Igihugu ahabwa n'itegeko !

Guverineri Ntirugirimbabazi amaze kubyumva yahitwaye kigabo. Yahise ahagarika konji asubira ku kazi, agira ngo amategeko yubahirizwe. Kuko uwo wamusimbuye yashyizweho ku buryo bwa forode bunyuranije n'amategeko. None Banki nasiyonari ifite abaguverineri babiri. Uwemewe n'amategeko ariwe Ntirugirimbabazi, n'uwo Rugenera Mariko yishyiriyeho. Mbese nk'uko byigeze kuba muri Zaire, igihe Guverineri Nyembo Shabani bamusimbuzi undi mu buryo bufitse ngo ni inzibacyuho nawe akanangira.

Perezida Habyarimana twizera ko azi neza ubwo butiriganya yararuciyemuramira. Rimwe azakanguka bamusimbujye undi. Ntubimwifurije ariko se nawe ubwitonzi bwe burakabije !

HABYARIMANA : GAHANGA KANANIYE ABAGUGUNNYI.

Si icyivugaga gishyashya tumuhimbiye. Icyo yihimbiye yiyita Ikinani cyananiye abagome n'abagambanyi kirahagije kandi kiramubereye. Hari umukuru w'Igihugu duhana imbibi wigeze kuvuga hambere ngo "Burundi bule, Zaire mayele, Rwanda makasi...". Habyarimana zimusiga akiri wa wundi. Hagati mu gihugu, abo yari yaragabiye, bibumbira mu mashyamba, biyunga n'inyenzi, barakotana biratinda, ngo barashakaga guhirika Habyarimana. Basanga ni urutare ! Niko kubishongoraho ngo ni ikinani cyaniye abagome n'abagambanyi. Abamwumvise riabi nibo bakwiye inkuru zigamije gusebanya no gutera-

nya ngo abagome ni abatutsi, abagambanyi ni abanyenduga. Nyamara ababwirako ntacyo atakoze ngo abatutsi bamereye neza kandi nabo barabizi. Nabiyita abanyenduga nabo nibo yagabiye imyanya ikomeye bihutira gusahura igihugu ngo ni uguhimana. Gatabazi siwe wampakanya ! Nyamara icyo Habyarimana yashakaga kuvuga yiyita ikinani cyaniye abagome n'abagambanyi ni iki. Abagome ni inyenzi zateye u Rwanda, zikabuzamuhoro abaturage, zikazirakarengane.
